Any additional needs:

The following information on dietary requirements will be referred to on occasions when food is provided during sessions **or** if you purchase a breakfast or after nursery session.

**We will be unable to provide any food during additional sessions until you have completed this part of the form.**

*Examples of dietary requirements are allergies, vegetarian and religious requirements.*

Please tick one box

	my child does <b>not</b> have any specific dietary requirements.
	my child has the following dietary requirements:

Photographs and video footage are wonderful ways of recording children’s activities and we use them for many purposes in the centre. We also respect your wishes for privacy. Please tick the relevant boxes and sign below to give permission for:

Photographs to be used in my child’s record book	
Photographs to be used in the centre for display	
Photographs to be used for press releases or publication outside the centre (we always ask for specific permission on these occasions)	
Video to be used for curriculum purposes	
Video to be used for training purposes on site	
Video to be used for training purposes off site	
Video to be used for publicity	

There may also be occasions when your child could be taken for a short walk nearby (eg shops).

My child may be taken for a short walk nearby (eg shops) accompanied by a member of The Ambleside Centre staff	
--	--

We hope that it is never necessary, but we need to have your permission to act appropriately in the event of a serious accident/illness.

The Ambleside Centre staff may seek medical attention in case of emergencies	
--	--

I have a copy of the Centre’s information booklet. I understand that it outlines the framework within which the Centre operates and agree to support it.
